Licenciada con Resolución del Consejo Directivo N° 002-2022-SUNEDU/CD

RESOLUCIÓN RECTORAL N° 1371-R-UNICA-2026

Ica, 24 de agosto del 2026

VISTO:

El Oficio N° 0864-D-OCRI-UNSLG-2026, Informe N° 749-2026-OAJ-UNICA y acuerdo de Consejo Universitario en Sesión Extraordinaria de fecha 24 de agosto del 2026, referente a la aprobación del **Memorando de Entendimiento entre Instituto de Geofísica de la Academia Polaca de Ciencias y Universidad Nacional “San Luis Gonzaga” de Ica, Perú.**

CONSIDERANDO:

Que, la Universidad Nacional “San Luis Gonzaga”, desarrolla sus actividades dentro de la autonomía de gobierno, académica, administrativa y económica, conforme lo establece el artículo 18° de la Constitución Política del Estado, y la Ley Universitaria N° 30220;

Que, con Oficio N° 00621-2024-SUNEDU-DS-DIRGRATU-URGT la Dirección de Registro y Reconocimiento de Grados y Títulos e Información Universitaria de SUNEDU, remite el proveído N° 0000000108-SUNEDU-DS-DIRGRATU-URGT y el Informe N° 306-2024-SUNEDU-URGT-LAAP ambos de fecha 3 de octubre de 2024, que señala “En tanto se advierte que se ha cumplido con los requisitos establecidos en el artículo 7° del Reglamento del Registro Nacional de Grados y Títulos y, las autoridades electas y la autoridad encargada poseen los requisitos para asumir los cargos de Rector, Vicerrectores, Decanos de Facultad y de Secretaria General, correspondería declarar como procedente el registro de sus datos; conforme al siguiente detalle: Rector (titular) DANTE FERMIN CALDERÓN HUAMANI, (...)”;

Que, el Texto Único Ordenado de la Ley N° 27444 aprobado con Decreto Supremo N° 004-2019-JUS, señala en su artículo 88, lo siguiente: 88.1 Las entidades están facultadas para dar estabilidad a la colaboración interinstitucional mediante conferencias entre entidades vinculadas, convenios de colaboración u otros medios legalmente admisibles; (...) y 88.3. Por los convenios de colaboración, las entidades a través de sus representantes autorizados, celebran dentro de la ley acuerdos en el ámbito de su respectiva competencia, de naturaleza obligatoria para las partes y con cláusula expresa de libre adhesión y separación; (...);

Que, el inciso 21.13 del artículo 21 del Estatuto de la Universidad Nacional “San Luis Gonzaga”, señala que es atribución del Consejo Universitario *celebrar convenios con universidades nacionales, extranjeras, organismos gubernamentales, internacionales u otros sobre investigación científica y tecnológica, así como otros asuntos relacionados con las actividades de la Universidad;*

Que, el objeto del Memorando de Entendimiento son las siguientes:

- 1.1 Las partes reconocen los beneficios mutuos de la colaboración, cooperación e interacción entre sus instituciones, particularmente en relación con la movilidad académica, la investigación científica, los programas educativos, las actividades culturales y el desarrollo institucional.
- 1.2 El presente MdE establece las intenciones de las Partes de promover la cooperación y no crea, por sí mismo, obligaciones financieras ni compromisos jurídicamente vinculantes, salvo las disposiciones relativas a la confidencialidad, la protección de datos personales, la lucha contra

la corrupción, el uso de nombres y logotipos institucionales, la resolución de controversias y cualquier otra disposición expresamente destinada a subsistir o ser exigible.

- 1.3 Si posteriormente las partes acuerdan emprender proyectos o actividades conjuntas específicas que impliquen obligaciones jurídicamente vinculantes, compromisos financieros, intercambio de datos personales, propiedad intelectual o responsabilidades operativas, dichas actividades se regularán mediante un Convenio Específico, Adenda, Plan de Trabajo o instrumento jurídico equivalente posterior, suscrito por los representantes autorizados de ambas partes.

Que, mediante Informe N° 749-2026-OAJ-UNICA de fecha 11 de agosto del 2026, el director de la Oficina de Asesoría Jurídica, emite CONCLUSIÓN: Que, dentro del Marco Legal, las universidades pueden suscribir convenios, con las entidades que sean de su interés y que no estén impedidas legalmente a fin de coordinar y ofrecer servicios educativos relacionados con las actividades de la universidad, debiendo ser aprobado por el Honorable Consejo Universitario, procediéndose con la visación respectiva, remitiéndose para su trámite correspondiente;

Que, con Oficio N° 0864-D-OCRI-UNSLG-2026 del 13 de agosto del 2026, la Oficina de Cooperación y Relaciones Internacionales, remite el Memorando de Entendimiento entre Instituto de Geofísica de la Academia Polaca de Ciencias y Universidad Nacional "San Luis Gonzaga" de Ica, Perú, para su aprobación por Consejo Universitario;

Que, en Sesión Extraordinaria de Consejo Universitario de fecha 24 de agosto del 2026, se acuerda aprobar la suscripción del Memorando de Entendimiento entre Instituto de Geofísica de la Academia Polaca de Ciencias y Universidad Nacional "San Luis Gonzaga" de Ica, Perú;

Estando al *acuerdo del Consejo Universitario en Sesión Extraordinaria del 24 de agosto del 2026* y en uso de las atribuciones conferidas al Rector de la Universidad Nacional "San Luis Gonzaga", por el artículo 62 de la Ley Universitaria N° 30220 y Estatuto Universitario.

SE RESUELVE:

**MEMORANDUM OF UNDERSTANDING
BETWEEN
INSTITUTE OF GEOPHYSICS POLISH ACADEMY OF SCIENCES
AND
UNIVERSIDAD NACIONAL "SAN LUIS GONZAGA" DE ICA, PERU**

This Memorandum of Understanding ("MoU") is entered into by and between UNIVERSIDAD NACIONAL "SAN LUIS GONZAGA" DE ICA, a public university established under the laws of the Republic of Peru, with legal domicile at Prolongación Ayabaca C-9, Urbanización San José, District, Province and Department of Ica, Peru, represented by its Rector, Dr. Dante Fermín Calderón Huamaní, hereinafter referred to as "UNICA"; and INSTITUTE OF GEOPHYSICS POLISH ACADEMY OF SCIENCES, a public research institution established under the laws of the Republic of Poland, with legal domicile at Ksiecia Janusza 64, 01-452 Warsaw, Poland, represented by its Director, Prof dr. hab. Paweł Mariusz Rowiński, hereinafter referred to as "IG PAS".

UNICA and IG PAS may hereinafter be referred to individually as a "Party" and collectively as the "Parties".

In the spirit of friendship and mutual interest in academic, scientific, educational, and cultural cooperation, the Parties agree as follows:

Article 1 – Purpose

- 1.1. The Parties recognize the mutual benefits of collaboration, cooperation, and interaction between their institutions, particularly in relation to academic mobility, scientific research, educational programs, cultural activities, and institutional development.
- 1.2. This MoU sets forth the intentions of the Parties to promote cooperation and does not, by itself, create financial obligations or legally binding commitments, except for provisions relating to confidentiality, personal data protection, anti-corruption, use of institutional names and logos, dispute resolution, and any other provision expressly intended to survive or be enforceable.
- 1.3. If the Parties later agree to undertake specific joint projects or activities involving legally binding obligations, financial commitments, exchange of personal data, intellectual property, or operational responsibilities, such activities shall be regulated by a subsequent Specific Agreement, Addendum, work plan, or equivalent legal instrument signed by the authorized representatives of both Parties.

Polish Academy of Sciences

Article 2 – Scope of Collaboration

2.1. Areas of collaboration may be proposed by either Party and may include, but are not limited to:

- a) mobility of faculty members, researchers, scholars, students, and administrative or technical staff;
- b) student internships, research stays, academic visits, and professional development activities;
- c) joint teaching, research, scientific observation, technological development, or cultural activities, including courses, seminars, workshops, conferences, congresses, and publications;
- d) development of joint research projects, including projects involving scientific instrumentation, data collection, monitoring networks, laboratories, observatories, and field campaigns, where applicable;
- e) joint or articulated academic programs, including credit recognition, academic pathways, and double-degree programs, subject to applicable regulations and specific agreements;
- f) development, exchange, or joint creation of educational, scientific, and technical materials and resources;
- g) extension, outreach, training, innovation, and community engagement activities;
- h) other forms of academic, scientific, technological, or cultural cooperation mutually agreed upon by the Parties.

2.2. All activities shall be subject to the availability of funds, institutional capacity, applicable laws and regulations, and the prior approval of the authorized representatives of each Party.

2.3. The Parties may seek external resources, grants, scholarships, institutional funds, or other forms of support for the implementation of activities developed under this MoU.

Article 3 – Specific Agreements

3.1. For each specific activity arising from this MoU, the Parties shall execute a Specific Agreement, Addendum, work plan, or equivalent instrument, when necessary according to the nature of the activity.

3.2. Each Specific Agreement shall establish, as applicable:

- I) the objective and scope of the activity;
- II) the obligations and responsibilities of each Party;
- III) schedules, timelines, and deadlines;

- IV) expected outcomes and deliverables;
- V) budget, financial responsibilities, and allocation of resources, if any;
- VI) the departments, units, laboratories, centers, or programs involved;
- VII) the coordinators or responsible representatives appointed by each Party;
- VIII) intellectual property, publication, confidentiality, data protection, and ethics provisions, where applicable;

3.3. Activities under this MoU may be carried out in any country, provided that they comply with applicable laws, immigration rules, institutional regulations, and local requirements, and are previously authorized by the legal representatives or competent authorities of both Parties.

Article 4 – Confidentiality

4.1. Each Party shall keep confidential any information identified as confidential and obtained from the other Party during the course of activities developed under this MoU.

4.2. The confidentiality obligation shall remain in force for three (3) years after the expiration or termination of this MoU, unless a Specific Agreement establishes a different period.

4.3. Confidential information, whether written, oral, electronic, technical, commercial, scientific, or institutional, may only be disclosed to third parties with the prior written consent of the Party that provided the information, except when disclosure is required by law, court order, or competent authority.

Article 5 – Anti-Corruption and Institutional Integrity

5.1. The Parties declare that they shall adopt appropriate measures to prevent corruption, bribery, fraud, conflict of interest, improper advantage, or any conduct contrary to the principles of public administration, institutional integrity, and applicable anti-corruption laws.

5.2. No provision of this MoU shall be interpreted as authorizing any payment, benefit, gift, favor, or undue advantage to public officials, private individuals, representatives, employees, agents, or legal entities.

5.3. A serious breach of this Article may give rise to the immediate termination of this MoU, without prejudice to any other rights or remedies available under applicable law.

Article 6 – Codes of Ethics and Institutional Rules

6.1. Each Party declares that it shall comply with its own statutes, regulations, codes of ethics, institutional policies, and applicable legal framework in the execution of this MoU.

6.2. Participants involved in activities under this MoU shall observe the academic, administrative, safety, ethical, and disciplinary rules of the host institution.

10.6. If the MoU is not renewed by the Parties, it shall automatically expire at the end of its five-year term.

Article 11 – Notices

11.1. Any formal notice related to this MoU shall be made in writing and sent to the institutional addresses indicated in the preamble or to any other address subsequently communicated in writing by either Party.

11.2. Operational communications related to specific activities may be exchanged by the coordinators or representatives appointed by each Party, without prejudice to the need for formal authorization when required by this MoU, a Specific Agreement, or institutional regulations.

Article 12 – Signature and Counterparts

12.1. This MoU may be signed electronically or by handwritten signature, in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

12.2. Electronic signatures shall be considered valid and effective to the extent permitted by applicable law and by the internal regulations of each Party.

Article 13 – Dispute Resolution

13.1. Any controversy, claim, or dispute arising out of or relating to this MoU shall first be addressed through good-faith consultations and negotiations between the Parties.

13.2. If the dispute cannot be resolved amicably within sixty (60) days, it shall be submitted to arbitration administered by the International Chamber of Commerce under its Rules of Arbitration, unless the Parties agree otherwise in writing or establish a different dispute-resolution mechanism in a Specific Agreement.

Article 14 – Language

14.1. This MoU is executed in English. If translations into Spanish or any other language are prepared, the English version shall prevail in case of discrepancy, unless the Parties expressly agree otherwise in writing.

In witness whereof, the Parties, through their duly authorized representatives, sign this Memorandum of Understanding.
